

Indiana Utility Regulatory Commission Regulatory Commission

Dear Indiana Utility Regulatory Commission Commission,

I am outraged that a highly profitable company like Sprint Nextel is demanding unfair concessions from the workers who make those profits for you. It is unfair to demand concessions on health care, overtime pay, sick and vacation leave, 401k plans and more—especially as you abandon local phone service in our communities.

I believe corporations serve their customers and the public and have a duty to meet the expectations we hold for them. Sprint Nextel is not meeting those expectations. I prefer to do business with companies that treat workers as they should be treated.

Therefore, I plan not to sign on to any Sprint Nextel services and I will be switching to Cingular for wireless service and AT&T for long distance because they are two unionized companies that respect their workers and their contracts.

Sincerely,

Derek B. Clark
